

Community of Design™

Real-world design.  
Autonomy.  
Iteration.

# Design Concept

## Concept overview

- Concept idea:
- Problem addressed:
- Intended impact:

## Reflection

- One effective aspect:
- Why it works:

Community of Design™

Real-world design.  
Autonomy.  
Iteration.

## Opportunities for improvement

- Area to develop:
- Possible changes:
- Next iteration idea:

## Feedback insights

- Key feedback received:
- What this revealed:

## Next iteration

- Planned improvement:
- Refined concept:
